## PROCEEDINGS.

### General Meeting held at the Herts County Museum, on Thursday, 25th October, 1900.

Present—The Very Rev. the Dean of St. Albans, President, in the chair; Canon Wigram, Messrs. Hopkinson and Gibbs, Miss Lee, the Hon. Secretaries, and many others.

The minutes of the previous meeting were read and confirmed.

The Dean referred in feeling terms to the great loss which the Society had sustained since its last meeting, by the death of the Rev. H. Fowler, for so many years Hon. Secretary of the Society, and proposed the following resolution: "The St. Albans and Hertfordshire Architectural and Archæological Society desires to put on record its sense of the severe loss it has sustained by the death of the Rev. Henry Fowler, for sixteen years one of its honorary secretaries, and at the same time to express its sympathy with his family in their bereavement. The Society wishes also to convey its most sincere thanks to Miss Fowler, Mr. Ralph Fowler, and the rest of the family, for their generous gift of their late father's very valuable collections of MS notes and papers, and for numerous plans and printed books."

Mr. Clarkson seconded the resolution, which was carried.

Upon the proposal of Mr. Page, seconded by Mr Gibbs, Miss Fowler was elected an honorary member of the Society.

Mr. Hugh Blakiston, B.A., Secretary to the "National Trust for Places of Historic Interest," then gave his lecture on "Our National Heritage."

S. FLINT CLARKSON.

### General Meeting held at the Herts County Museum, on Friday, 15th February, 1901.

Present—Mr. S. Flint Clarkson, in the chair; Messrs. Tarte, Mowat, Gaffe, Bickley, Hardy, the Hon. Secretaries, and many others.

The minutes of the previous meeting were read and confirmed.

Mr. F. Palmer, of Beaconsfield Road, proposed by Mr. Tarte, and seconded by Mr. Hillier, was duly elected.

Mr. Kitton called attention to the project for acquiring the Lewis Evans Collection of Hertfordshire Prints, etc., and upon the proposal of Mr. Mowat, seconded by Mr. Gaffe, it was ordered that £5 from the Society's funds be subscribed towards the fund now being raised.

Mr. Johnson brought before the meeting a proposal which had been discussed by the Committee, to index the Ordnance Maps of the County. After some debate the matter was referred back to the Committee.

Mr. Wilton Hall read the following papers:—(1) "Some notes on Dr. Richard Lee, of Hatfield, during the Commonwealth period." (2) "Sandridge Parish Accounts 1687-1780."

Some discussion followed, in which Mr. Page pointed out the very careful manner in which the Sandridge accounts had been repaired and guarded by Mr. Hall; and stated that they were now about to be returned to the Church.
